**Guidelines**

To be successful in this course, you must follow several guidelines, as listed below.

- **Attendance** Attendance is not required, but strongly recommended.
- **Deadlines** Deadlines in this course will be strictly enforced, with penalties applied to work submitted late.
- **Labs** The lab TA will set up guidelines for the lab. If you have a problem with anything related to the labs, see the TA first.
- **Independent Work** You must work on projects independently. Cheating of any kind will not be tolerated and will result in significant penalties.
